Happy St. Patrick's Day

March is a very busy month for special events! First, it is time already for our Spring Book Fair. As always, children will be guided to make appropriate "wish list" selections, and classroom wish lists will be posted by each teacher. The Book Fair runs from March 9 - 13 from 6:45 am—5:45 pm. **Calling All Parent Volunteers!** We need your help with the Book Fair sales in the mornings and afternoons. There is a sign up sheet on the parent board with times on it. Please select a time that you would be willing to volunteer to help us out.

We will recognize St. Patrick's Day here at the Preschool on Monday, March 17th. Be sure to have your child wear their "greenest greens" and we'll celebrate with folk stories, games, crafts, and a special treat. Pre-K classes will visit their special friends at Calusa Harbor on March 17 at 9:45.

Please pay attention to your registration paperwork in your child's folder on March 2!

VPK Vouchers now at FUMP

You can now get your VPK voucher at FUMP! We will start handing out vouchers on March 2. Please remember to have your child's birth certificate and proof of residence. This can be an electric bill, home phone bill or bank statement. Please come to the office and see Amy to receive your voucher.

Pizza Friday's for the 2009/2010 School Year

I wanted to get parent opinions on instituting Pizza Fridays every week for the 2009/2010 school year. We currently offer pizza on the last Friday of the month. The children really enjoy Pizza Fridays and I want to know what you think.

Yes, I would like to have pizza every Friday

No, I want to keep it once a month

Please tear off and return to the office or email me at amcglynn@fumcftmyers.org

Your opinion counts so please take the time to let me know!!!!

Spanish in the Classroom

Our very own Mrs. Patricia is now teaching our Pre-k 3 and Pre-k 4 children Spanish. The children are learning their colors, numbers and different phrases in fun age appropriate ways. When you walk into the classroom during a Spanish lesson you will see finger plays, books and the children singing all while learning at the same time. The benefits of teaching your child a second language are numerous. Not only will they be able to learn the language more quickly and easily than at any other time in their life, but knowing a second language has shown to improve memory and information retention as well as simply provide the benefits of knowing another language.

VPK Parents: If you have not registered your child for Kindergarten, the deadline for the first round is March 17. It is highly recommend that you register in the first round!
