October News 2009

October is National Fire Safety Month! The children will learn all about fire hazards, precautions, and evacuation plans. Like last year, we'll have a visit from the Fire Department, and the children will be able to tour the engines! We will also discuss other community helpers and the tools they use. If you, or anyone you know, would like to come talk to the children or give a presentation about your role in the community, please let Ms. Amy know. A variety would be great: police and medical respondents, nurses and doctors, postal workers, architects and construction workers, farmers and grocers, librarians, and more.

In Chapel this month, the children will learn about Adam and Eve, Noah's Ark and the Tower of Babel. Mrs. Michelle will do Chapel lessons that will also tie in some whimsical tales of pumpkins and acorns for a bit of seasonal fun. We will begin introducing the concept of offering as we will be asking the children to bring in canned goods for the offering during the month of October.

Pumpkin Patch

First United Methodist Church and Preschool will have their 2nd Annual Pumpkin Patch starting on October 11 through 31 from 9 am till 7 pm. This will be our Fall Fundraiser, so tell all your family, friends, and co-workers to buy their pumpkin from FUMP. We will need volunteers for the Pumpkin Patch to make it successful. A sign-up list is now available in the office. We hope that everyone will get a chance to serve with us. Call Amy at 332-2493 to reserve your spot.

Fall Festival

This year's Fall Festival will be on October 31 from 10 am until 2 pm. The children will enjoy games, bounce houses, and treats. I will be asking the church members as well as preschool families to help with all the activities. More information will be sent out about this soon. This event will be a fun and free for everyone. I hope to see all of you there.
